Fremont CPU Holder

The Tru Fremont CPU Holder is available in two models - standard and locking. Both offer increased stability and clamping force, with the option to store it on a plastic or ball-bearing track.

Features:	Benefits:
• Plastic side clamp with bumpers	• Increased stability and clamp force
• Knob control to adjust clamp	• Intuitive usability
• Side mountable	• Keeps tower off the floor
• 360° swivel available on most models	• Allows access to rear panel connections
• Models available with heavy-duty locking knob	• Deters theft
• Adjustable width (3.5" to 9.3") and Height (12.5" to 22.5")	• Can be customized to each workstation
